The Town of Waddington has a proposed subdivision of two parcels located @ Iroquois Dam. The town is requesting the following services in relation to the proposed subdivisions.

- Review of the subdivision plans and SEQRA process with Town and Town Attorney
- Work with Town to identify involved agencies
- Preparation of Part 1 Long Environmental Assessment Form
- Draft Resolution requesting lead agency status for the Town
- Prepare letters for the Town requesting concurrence of lead agency status to involved agencies
- Assist the Town in reviewing Part 2 of EAF
